K-Class Licensed Fire Extinguisher Technician

Description

Boss Fire Protection has been in the Fire Protection Industry now for over two years. Our sister company Hood Boss is the leading kitchen exhaust cleaning service provider in the state of Texas, and we are looking to continue to build our company on the relationships developed by Hood Boss over the past 10 years.

Hood Boss has always set the standard for commercial kitchen ventilation service and is looking to do the same through Boss Fire Protection in the Fire Protection Industry.

Are you stuck where you are and looking for a path to grow? Then look no further. Contact us today to talk about the opportunities we can provide.
